

SHEPHERD UNIVERSITY

2016 FOOTBALL JAMBOREE

JULY 28 – JULY 30, 2016

Dear Coach,

The 2016 football season will be here very soon. We realize you are making plans for the season. Our team camp offers the ability to teach individual skills, group concepts and team cohesion.

We feel that attending camp as a team will provide you with several advantages: team unity, conditioning prior to your pre-season, advance skill training, and the experience of working with high school players and coaches from other schools.

Our facilities at Shepherd University are outstanding. The weight room will be available to your players. We will provide “all you can eat” meals. At night our camp staff will have clinic session available for the coaches.

Your price will include: coaching from Shepherd University Staff, “all you can eat” meals daily, and room accommodations.

Please consider this opportunity. If you have any interest or questions concerning the team camps, give me a call. We will have a camper limit so please register early. **Cost is 300.00 per camper.**

Sincerely,

Joel Gordon
 Assistant Football Coach & Camp Director
jgordon@Shepherd.edu

CAMP OBJECTIVES

The Shepherd University Football Camp is a simulated college camp that stresses individual fundamentals and team play. We have several basic goals at the camp.

- Develop and refine individual skills and techniques of the High School player.
- Each player to reach their full potential.
- To give each player a college level experience that allows the player to understand the intensity and attention to detail
